West Hempstead Soccer travel program is geared toward growing and developing soccer players of all abilities. The professional trainers strive to provide the highest quality soccer program. Our commitment to players is for the full soccer year and we expect players to make the same full-year commitment in return. Please review the time and financial commitment.

West Hempstead Soccer holds open tryouts by age-group in the spring to form teams for the next soccer year (fall and spring). The goal of these tryouts is the selection of players for all travel teams within West Hempstead Soccer. Each player who is selected and accepts a spot with West Hempstead Soccer will pay a club fee. This player fee covers all league, referee, paint, equipment, lights, insurance, and other travel program expenses. Additionally, players will pay team fees for team expenses (team trainer, tournaments, and other team activities).
